*It's late January. We are weeks past Christmas and the end of Hallmark movies for the foreseeable future. It's been cold, it's rained and we just got a few inches of snow. Super, we will call this our taste of winter, fair enough? Winter? You are free to go and please send spring in when you leave.*

I find I look for reasons to be in my garage this time of year. I can't drive my cars mostly due to summer tires but I get a great deal of comfort sitting in the garage watching an old race or some formulaic car show where the deadline can't possibly be met but with a last ditch push by the team. However the project miraculously is finished just as the client arrives to take delivery. Frickin horrible, but the bourbon helps.

To answer the most outstanding questions in the order they have appeared:

- We are working on our schedule for the spring. Please refer to the website for updates. If you notice something is missing please get that info to our Webmaster (webmaster@ovrpca.org) and to the Bent Pylon (bent.pylon@ovrpca.org).

- Our first Board meeting done via ZOOM went pretty well. I get very charged up at the enthusiasm of the committee heads, thank you for your dedication and hard work. Your efforts do not go unnoticed.

- We are actively scouting new locations for our Board meetings. Biggest issue has been the lack of staff, not the facilities ability to seat us. A problem that virtually every industry is experiencing.

- We do have a new Zone Rep. He is Chip Henderson of the Mid Ohio Region. We'd also like to thank Lori Schutz for her incredible 2 terms as our zone representative.

- We have been getting alot of requests from members who want to host "cars and coffee" at their homes, business etc. This is wonderful news. I believe we can do these events at different locations at the same time bringing members in from different parts of the city.

- We are looking for a new Concours chair.

- And... we're still hoping to locate a copy of Panorama 1 Volume 1 for our Club Historian

Jeff

# Board Minutes

Ruth Zacharias, Secretary

## Board Meeting, Tuesday, January 11, 2022

**Attending Officers:** President: Jeff Clark, Vice President: Brian Butt, Treasurer: Debi Stafford, Secretary: Ruth Zacharias

**Attending Committee Chairs:** Driver Education: Jeff Woodard, Historian: Brent Fagin, Member-at-Large: Kathie Hunter, Newsletter: Fred Zacharias, Rally/Tours: David McCarty, Safety: Matt Griffin, Web Site: Arizona Stafford

**Attending Members:** Steve Ringel, Phil Dougherty, Tom Tomlinson, Jeff Gray, Larry Brueshaber, Chuck Lindsey, Don Nucete, Trevor Barber

**Call to order at 6:34 pm** by President Jeff Clark. Motion to approve minutes as printed in Bent Pylon, seconded, vote to approve.

**Presidents Report:** Jeff welcomed the group. We still have no new Zone Representative, so for now Lori is in that position. We are in need of a Concours Chairman - things are on hold until we find one. We are actively scouting for a new meeting location. We need capacity for 40-45 people, and adequate parking. We are on a wait and see basis for future Zoom meetings - watch for e-mail blasts. People have been offering homes and businesses for Cars and Coffee locations. Jeff is looking into the liability issue for any hosts. Someone suggested having several C&C's in one day to serve members and guests in different areas.

**Treasurers Report:** We need to start thinking about charitable donations for the coming year.

**Secretary:** No Report.

**Autocross:** No report.

**Club Race:** No Report.

**Concours:** Chairman needed. No Report

**Driver Education:** Jeff Woodard reported that we have 160 registered for the June event; 30 of those are from the Mustang Club. Do we want to consider limiting registration for the first 30

days to PCA members before opening it to other Clubs? We have 32 instructors signed up.

**Historian:** Brent Fagin showed us a 1957 issue of Christophorus and discussed the Sciatta, from a premier Italian Manufacturer in the mid 50's.

**Member-at-Large:** No Report.

**Membership:** Crystal Clarks' report shows that we have 1796 Total registered members as of December 2021.

**Newsletter:** Fred Zacharias said we need more people for the Have You Met feature. The deadline for newsletter article submissions remains the 20th of the prior month.

**Past President:** No Report.

**Rally/Tours:** Phil Dougherty said we have three dates under consideration - April 9, July 4th and a possible September drive from Indy through Kentucky. The committee is open to suggestions.

**Safety:** Matt Griffin is updating the new tech form. There was discussion about the issue of coolant in cars 10 years and older. Any decisions on this need to be put out to participants long before June.

**Technical:** It was suggested that owners of older cars check for cracking in belts and hoses.

**Webmaster:** Arizona stated that the Bent Pylon is now up on the web.

**New Business:** Kathy Hunter said that Porsche is the Marque at Keeneland Concours this year. The application is on their website. She would like to schedule some "Ladies only" events this year and could use some ideas.

**There being no further business, a motion was made to adjourn. Motion seconded and approved at 7:53 pm**

*Respectfully Submitted,  
Ruth Zacharias, Secretary*

## WRIGHT Motorsports Takes 2022 Daytona 24 Hour Race GTD Class Win.

Congratulations to OVR member John Wright, his drivers - Jan Heylen, Ryan Hardwick, Zacharie Robichon and Richard Lietz - and crew for their 2022 GTD class win!

A job well done!

# GoFundMe Account Setup for OVR Member Dan Porter

To all our members from Jeff Clark, Bill Altvater, Dennis Okin, Grant Karnes, Bill Kief, and John Meyer

As the Past Presidents of OVR from 2011 to the present, we would like to make you aware of an important opportunity to help a fellow OVR member and his family.

Dan Porter, a longstanding OVR member and friend to many of us, was diagnosed with COVID and hospitalized on November 23. Since that time, Dan has battled severe COVID in the hospital on a ventilator for more than 2 months. Recently, Dan was released from the hospital for acute care rehabilitation. Dan has had a tremendous battle and many of us at OVR have prayed for him and tried to help him in any way we can.

PCA is characterized by outstanding people and their passion for Porsches and one of the people that has made OVR so vibrant and successful is Dan Porter. Dan has donated hundreds of hours of his personal time to OVR

over the past 20 years, supporting our events with his creative talent. He is responsible for the design of many of the shirts, hats, gloves, water bottles and posters our members have. Dan designs liveries for race teams and Porsche owners as a one-man design shop. His passion for Porsches and his intimate knowledge of Porsche history led him to this pursuit. Tragically, his business and his family's income have suffered immeasurably with his extended illness. His rehabilitation will take a very long time and Dan will not be able to return to work anytime soon.

We have set up a GoFundMe donation site for Dan and his family and hope you will find it in your heart to contribute to our goal to raise \$25,000 for Dan and his family. Contributions can be made using this link:

## Wanted...

words: Jeff Clark, President

Longtime OVR member Brent Fagen who serves as our historian is having difficulty locating the elusive Porsche Panorama, Volume 1, Issue 1.

We've seen Volume 1, Issue 2 in fact, when Brent brought it to our last board meeting.

If you've attended our monthly board meetings on the second Tuesday of the month, Brent regularly has some great stories and items to share regarding Porsche history. We've seen Porsche factory car brochures from the 50s and he can explain to you that the 5 cars on a sales brochure cover are actually the same car just photographed from a different angle!

It's a long shot but I wanted to put it out to our members that if you happen to have one and don't mind parting with it, please contact Brent Fagan at: [Pcarenthusiast@yahoo.com](mailto:Pcarenthusiast@yahoo.com)

## Have You Met...

RZ

**Chip Henderson** who is our new Zone 4 Representative, joined OVR/PCA in 1995, transferring to the Mid-Ohio Region in 2002 for work reasons.

"My passion for Porsche came while a kid in the 70's after watching a Chuck Norris movie where he drove a Porsche 930 – he was the coolest guy in the world in the coolest car," says Chip.

He currently owns a 2017 Porsche Cayenne GTS, a 2007 911 C4s, a 2006 Cayenne Turbo and a 1986 944 Turbo (race car). He used to also own 1993 C2, a car he really misses.

When asked which would be his ultimate Porsche, he said it was like asking him to pick his favorite child. "I love them all in their own special way and I try to drive them all as much as I can. My favorite depends on the situation." When headed to the track, it's definitely the 944 T. If taking a long trek through the backroads or a night out with his wife, it would be the 911. The Cayenne GTS is his choice when he has passengers he needs to scare. When planning a cross country road trip mountain biking, he and his son Connor take the Cayenne Turbo.

"I still dream about Chuck's black 930. I may or may not still carry a picture of one around in my wallet." To Chip that is the quintessential Porsche – fast, wide, loud and dangerous.

Chip originally joined the Club to participate in autocrosses, but he and his wife Sheila really enjoy the social events. Before long he was taking Connor to DE's and Club Races. The Hendersons attend as many Club events as they can – some of their best friends are members. While Chip still likes to test his skills at the occasional autocross and by instructing at DE's, his passion is PCA Club Racing. However now, instead of dragging Connor to the track, he is trying to keep up with his lap times!

# 2022 Keeneland Concours d'Elegance

words **Ken Hold**  
photo **Keeneland Concours**

If you would enjoy attending a concours event with a friendly Southern Hospitality bent, plan to come to the 2022 Keeneland Concours d'Elegance at Lexington, Kentucky. We will be holding this nineteenth annual event on Saturday, July 16, 2022. The Feature Marque, for the first time since the inaugural event in 2004 will be Porsche. Of the twenty classes of juried entrants, four will be devoted to Porsche. In addition to the regular Car Club Parking in the Paddock, the PCA Bluegrass Region will be hosting a PCA Hospitality Park.

You can get more information regarding the concours at their website <https://keenelandconcours.com/>. Note that the website is currently being refreshed and registration for attending is not open as yet.

However, If you are interested in nominating a Porsche in classes for Air Cool, Water Cool, 356 or Racing; you can do so now at: <https://keenelandconcours.com/entrants/nominate-a-car/> \*\*

This year the PCA Bluegrass Region is also hosting for the first time, PCA Friday at Keeneland. The day will include a morning Concours Appreciation Training Session and an Afternoon Drive through the Blue Grass country side. In addition to the structured PCA sessions there are numerous activities both at the venue and nearby locales for visitor attractions.

### At Keeneland:

Morning Thoroughbred exercise on the historic race track. Then breakfast, snack or lunch at the popular Track Kitchen for great home cooking.

There are several walking tours either self-guided or with assigned guides including Grandstand and Stables.

Movie venue of scenes from Seabiscuit and Secretariat or visit the Keeneland Library or observe site preparation for the Saturday concours

### Locally (within 15 miles of Keeneland)

Across the street is the Kentucky Aviation Museum. There are numerous Distilleries including Woodford Reserve and Buffalo Trace. Additionally, there is the Kentucky Horse Park or several Horse Farm Tours (self-guided or arranged bus tours) as well as Distillery Tours (self-guided or arranged bus tours)

Specific details for the events are being finalized. Reservations for the concours nor PCA Friday are not available to share at this time.

If you would like more information regarding the concours please check the website. If you would like information regarding PCA Friday at Keeneland or parking in the Car Club Paddock, contact me at [Kendellhold@twc.com](mailto:Kendellhold@twc.com).

# PENSKE Racing Museum

words: **Ruth Zacharias**  
photos: **Fred Zacharias**

Phoenix, Arizona is home to some really incredible museums. If you go a bit north of Scottsdale, the Penske Racing Museum is a gem. Located at the Penske Auto Complex, it chronicles the career of one of the most successful dynasties in Motorsports. And unlike most of the other museums it is FREE!

Starting with a replica of the 1963 Pontiac Catalina in which Roger claimed victory in the 1965 NASCAR Riverside 250, the collection represents the diversity of Penske success in over 50 years of racing.

The building itself is a 2-story modern beauty of glass and steel overlooking the test track and Land Rover off-road course. It is just what you would expect from "The Captain". Huge banners featuring current Penske drivers dominate the entry. Victory Lane photographs of drivers like Donohue, Mears, Unser, DeFerran, Sneva, Sullivan, Pagenaut and Castroneves accompany the winning cars on display. The mezzanine showcases are filled with trophies and memorabilia from Penskes' more than 500 major race wins, 34 championships and 17 Indy 500 victories.

Banners of current Penske drivers dominate the entrance.

Clean design layout of an amazing collection of winning Penske cars.

Josef Neugarden's 2017 Verizon IndyCar Championship car.

One of several wind tunnel models on display.

Mark Donahue's Riverside 1973 IROC Porsche RSR.

Winning cars driven by Rick Mears, Danny Sullivan and Tom Sneva.

Also on the mezzanine, Turn 4 Cafe offers great food options Monday through Friday from 8:00am to 3:00pm. Enjoy a leisurely breakfast or lunch with a view of the cars below. The Boutique has a variety of Penske merchandise.

Last, but not least, the friendly staff is ready to answer any questions or suggest other attractions in the area.

2000 Honda Turbo V8 "HR-0" Camshaft Cover from Team Penske's 100th Win, presented by Honda.

2018 Brickyard and 2015 Daytona 500 winning Penske cars.
